The annual subscription year runs from May 1st to April 30th. In the year of joining members' subscriptions are pro-rated to the next April 30th in whole months. For instance for a husband and wife, husband aged 35 and over, joining on February 1st, the subscription for the first year is: £845 x 3 (months) / 12 = £211.25. For a single person in the same age range joining on November 15th, it is £655 x 6 / 12 = £327.50. Please calculate the correct amount and enter it in the appropriate box at the end of the Application Form.

Subscriptions may be paid annually or quarterly as desired. Subscriptions should be paid by Direct Debit, using the enclosed form.

A Gift Aid Form is enclosed which enables the Synagogue to reclaim tax on your subscription and any donations you may make. This is vital as it enables the Synagogue to claim 28 pence from the Inland Revenue for every £1.00 you contribute in membership fees and donations. Please complete it providing you pay sufficient UK Income Tax or Capital Gains Tax.

For members resident in the USA for tax purposes, a similar scheme is available, provided by CAFAmerica. Please ask the Synagogue office for details and a form.
